LOCAL COMPANIES COME TOGETHER TO PAINT “THE HOUSE” FOR THE HOLIDAYS

Ronald McDonald House, San Diego gets a much needed facelift thanks to donations from San Diego area painting and contracting companies

WHEN: TOMORROW

Saturday, December 2, 2006

7:30 a.m. – work crews arrive

Noon – lunch break

1:00 – painting outside the house begins

WHAT: The Ronald McDonald House, San Diego is receiving help from The King of Painters Inc. among other companies in the forms of a new coat of paint and plenty of holiday spirit. A full outside facelift of the house will include donations of time, equipment and materials from San Diego area companies, leaving the house with a gleaming new cream-colored coat of paint. While the work crews are busy fixing up the outside, the inside will also be receiving some sprucing up with holiday decorations, much of it donated by volunteers. This project is estimated to be a nearly \$30,000 job, and although the work crews will only be there for the day, this collaboration of companies will be leaving the Ronald McDonald House with a gift lasting for years to come.
