

## FAMILY WELCOME KITS

Thank you for your interest in Ronald McDonald House! Making Welcome or Activity Bags is a great way to support our children and families.

### WELCOME BAGS

The idea of this bag is to have things the families may need right away if they have traveled a long way or not had time to plan for travel. They are placed in each bedroom at the House. These bags can include:

- ❖ Travel size toiletries:
  - Toothpaste
  - Toothbrush
  - Floss
  - Soap, soft or bar
  - Deodorant
  - Shampoo
  - Conditioner
  - Lotion
  - Hand sanitizer
- ❖ Small journal with pen and/or pencil
- ❖ Disposable camera
- ❖ Small snacks (Trail mix, pretzels, granola)
- ❖ Welcome note (in Spanish and/or English)

### ACTIVITY BAGS

Given to families to take to the hospital or hotel during their stay. These bags can include:

- ❖ Crayons, markers or colored pencils
- ❖ Board game (any size)
- ❖ Electronic handheld game
- ❖ Craft project
- ❖ Puzzle
- ❖ Coloring book
- ❖ Activity book

Please keep in mind that welcome and activity bags are used by parents, grandparents, siblings and patients, so bags can be customized for a specific age or gender.
